The contractor agrees to furnish at his/her/its own cost all labor, insurance, materials, equipment, and power for the complete performance of the following project:

RESOLUTION NO. 6017-85 LYNN AVE. PHASE I-A

All work will be performed in accordance with: Resolution # 6017-85, the IFB, this contract and the applicable plans, specifications, and drawings for a TOTAL PRICE of \$ _____. (If unit prices are applicable, the contractor agrees to perform for those unit prices as set forth in the Schedule of Unit Prices attached hereto).

The work shall be commenced within ten (10) days after The Board issues a written notice to proceed. All work shall be completed within 10/31/85 ~~days~~ after issuance of the notice to proceed. Those days which the contractor cannot work because of severely inclement weather shall not be counted.

☒ Liquidated Damages Provision. (This clause shall be applicable to this contract only if the box contains a checkmark or an "X".) It is hereby agreed by and between the City of Fort Wayne and Contractor that time is of the essence of this agreement and the contractor agrees that it will complete the project as herein defined on or before 10/31/85 ~~days~~ after issuance of the notice to proceed. The parties agree that it is a business and governmental necessity that the project be completed by this date, that it will be difficult or impossible to make an accurate determination of the damages that would be incurred by the City of Fort Wayne, and therefore provide for liquidated damages, in the sum of \$ 250.00 per day for each and every day after 10/31/85 ~~days~~ after issuance of the notice to proceed that the project remains uncompleted. The parties agree that the sum of \$ 250.00 per day is a reasonable estimate as to the damages which would be incurred by the City of Fort Wayne. The parties further agree that causes beyond the control of the contractor may delay the completion date. Therefore, the parties agree that delays in the completion date beyond the control of the contractor shall not result in liquidated damages.

Delays beyond the control of the contractor can include but are not necessarily limited to, the following: Acts of God, strikes, lockouts or industrial disturbances, acts of public enemies, restraining orders of any kind by the government of the United States of America or of the State of Indiana or any of their departments, agencies, or officials, or any civil or military authority, insurrections, riots, landslides, earthquakes, fires, incapacitating storms, floods, and explosions.

INSTRUCTIONS TO BIDDERS
Board of Public Works and Safety
City of Fort Wayne, Indiana

June 21, 1985
Non-Federally Funded Construction

1. Submission of Bids. Sealed bids will be received by the Board of Public Works and Safety of the City of Fort Wayne, in the State of Indiana, hereinafter "The Board" until 9:00 o'clock A.M. on the 10th day of JULY, 1985, at the Office of The Board in the City-County Building, at which time the bids will be publicly opened and read, for the following described work, as more fully set forth in the specifications:

RESOLUTION NO. 6017-85 LYNN AVENUE PHASE I-A.

To improve LYNN AVE. from Anthony Blvd. to the west property line of Lot #2, Croteau Addition on the north side of Lynn Ave. and to the west property line of Lot #3, Bobay's Addition on the south side of Lynn Avenue.

2. Inclusion of Clauses - If a clause in the Invitation for Bids (IFB) has a box ☐ beside it, the clause applies to the IFB only if it contains a check mark (✓) or an "X". Any questions as to whether a clause is included or not should be referred to The Board.

3. Questions as to Bid Document. If a bidder finds discrepancies in, or omissions from, the bid document or has questions about the project, he should at once contact the City Engineers. If the information requested or change made is substantive, The Board will issue an amendment to the solicitation and will send such amendment to all potential bidders who have procured an Invitation for Bid (IFB). The Board and the City will not be responsible for any oral instructions.

4. Award of Contract (Timeliness, Responsiveness, Responsibility). A contract resulting from the Invitation for Bids will be awarded to the lowest and best timely bidder who is also responsive and responsible. If bids are otherwise equal, award will be made to that bidder granting the largest prompt payment discount.

5. Bid Requirements. All bids shall be endorsed with the title of the work, the name of the bidder, and the date of mailing or presentation. All bids shall be filed in the office of The Board on or before the day and hour set forth above and stated in the advertisement, and no bid received after that time will be accepted. The Board will not accept any late filing regardless of reason, including delays in the mail.

All bids shall include the exact quantities of each item shown on the bidding form for each section of the work, and unless the IFB otherwise states, the total cost of the various sections shall be considered a lump sum bid.

6. Examination of Bids For Responsiveness. After the bids are opened and read, The Board will examine them to determine if they are responsive. In order to be responsive, the bidder must complete all blanks requiring completion, and must submit all information required to be submitted. Any alteration, erasure, or interlineation of the contract or the IFB may cause the bid to be determined non-responsive. Proposals which are unbalanced may also be determined non-responsive.

However, The Board reserves the right to accept any bid, to reject any and all bids, and to waive defects or irregularities on any bid.

7. Determination of Responsibility. Prior to awarding any contract pursuant to this Invitation for Bids, The Board will make a determination of responsibility. An award of a contract to a bidder shall constitute an affirmative determination of responsibility.

In reaching a determination of responsibility, The Board can consider among other factors:

- (a) The Contractor's record of integrity.
- (b) The Contractor's experience and past performance record in construction work.
- (c) The Contractor's financial status.
- (d) The Contractor's capability to perform the project.
- (e) Whether the bidder is in arrears upon or in default of any debt, contract or other obligation to the City of Fort Wayne.
- (f) Whether the bidder is debarred from Federal or City of Fort Wayne contracts.
- (g) The bidders record in MBE/WBE compliance.
- (h) Whether the bidder is engaged in litigation with the City of Fort Wayne.

In arriving at a determination of responsibility, The Board may institute a pre-award survey on any or all bidders. That pre-award survey may examine any of the considerations relating to a bidder's responsibility as set forth above. Bidders will cooperate with the pre-award survey team. Failure to cooperate can result in a finding of non-responsibility.

☐ 8. Prequalification - In addition to being timely, responsive, and responsible, a bidder must also be prequalified by the State Department of Highways in order to be awarded a Contract.

9. Bid Bond or Deposit. Each bid must be accompanied by a bond executed by the bidder and surety satisfactory to The Board, in a sum of FIVE percent (5%) of the aggregate amount of the bid, but in no case less than \$100.00; or the bidder may deposit with The Board in lieu of such bond, a certified check on a solvent bank in a sum of — percent (—%) of the aggregate bid or proposal, but in no case less than \$100.00, which certified check shall be payable to the City of Fort Wayne. The bid bond or certified check shall serve as a guarantee that should the said bid be accepted by The Board, the bidder will, within ten (10) days after the time he is notified of the acceptance of the bid, enter into a contract with the City of Fort Wayne for the work bid upon and give bond with surety to be approved by The Board, insuring the faithful completion of the contract.

In case a bid is not accepted, the obligation of the said bond shall be null and void and the certified check will be returned to the bidder, as the case may be. In case a bid is accepted, and the bidder does not enter into a contract with the City of Fort Wayne for the work bid upon within ten (10) days after notification of award, then the obligation of the bond or the certified check shall be forfeited to the City of Fort Wayne for ascertained and/or liquidated damages for failure to enter into a contract. Provided that, the City's action in forfeiting the bond or retaining the certified check shall not preclude the City from taking any further action against the contractor to recover for all actual damage, the City has suffered.

10. Sworn Experience Questionnaire, Plan and Equipment Questionnaire and Contractor's Financial Statement. Each bidder will submit with and as part of its bid the following documents under oath and on forms prescribed by the State Board of Accounts, or shall have the following forms on file with The Board which shall not be less than one year old.

- (a) Experience Questionnaire.
- (b) Plan and Equipment Questionnaire, and
- (c) Contractor's Financial Statement (Form 96-A) or Certificate in Lieu of Financial Statement.

11. Execution of Additional Bid Documents. In addition to all documents previously mentioned as having to be executed and submitted as part of the bid, each bidder will be required as part of its bid to execute and submit the following documents as specified below:

- ☐ (a) Non-Collusion Affidavit
- ☐ (b) Prequalification Statement
- (c)
- (d)
- (e)

12. Brand Name or Equal-Specified Materials. Where, in the specifications, one or more specified materials, trade names, or articles of certain manufacture are mentioned, it is done for the purpose of establishing a basis of durability and proficiency, and not for the purpose of limiting competition. The bidder can submit other names of materials and, if, the Director of the Board determines that, they are equal in durability and sufficiency to those mentioned and of a design in harmony with the work as outlined, then the bid will be accepted as responsive. However, if the Director of the Board determines that such materials are not equal, then the bid may be rejected as non-responsive. Consequently, bidders are advised to submit any such request for changes or deviations in materials to the Director of The Board prior to submitting bids. Any approval of deviation will be by written amendment to the solicitation and will be submitted to all bidders who have obtained IFBs.

The Board has, therefore, adopted a minimum goal of 17% of the total work hours on each project to be expended by minority and/or female employees. ("Minority" shall include: Blacks, Hispanic, Asian, Pacific Islander, American Indian or Alaskan Native.)

The bidder shall state in "A" below the percentage of total work hours which the bidder and his subcontractors will employ and utilize women and minority employees on this project.
